

Jamestown Village Homeowners Association

No Parking Areas Policy

The following policy was adopted on November 17th, 2003, having been unanimously voted upon and approved by a quorum of represented homeowners, and shall be in effect until properly amended or repealed.

No Parking Areas

In the interest of community safety, absolutely no parking of vehicles shall be permitted on any common driveway owned and maintained by Jamestown Homeowners Association, unless attended by a valid, licensed driver (i.e. delivery vehicle, moving truck, emergency vehicle).

All residents and/or their guests must park on private driveways or on City streets in accordance with City ordinance, and in such a manner as not to block the deliver of the U.S. mail.

Failure to comply shall result in appropriate action by the Jamestown Homeowners Association or the City of Plymouth.
